# What is Augment?

**Augment is Lupton Fawcett's fixed fee \* Employment/HR Retainer**

**24/7 Telephone / Email helpline**

**Regular email updates**

**Client liaison meeting**

**Quarterly training**

\*The fixed fee is calculated based on the number of employees (from as little as 60p per employee per week).

# Why should

All of the telephone and email advice is provided by fully qualified solicitors, so you can be sure the advice is legally accurate.

**Fully qualified solicitors**

The fee is fixed, so you know the cost before you use, and this will not change regardless of how often you use the service.

**Fixed fee \***

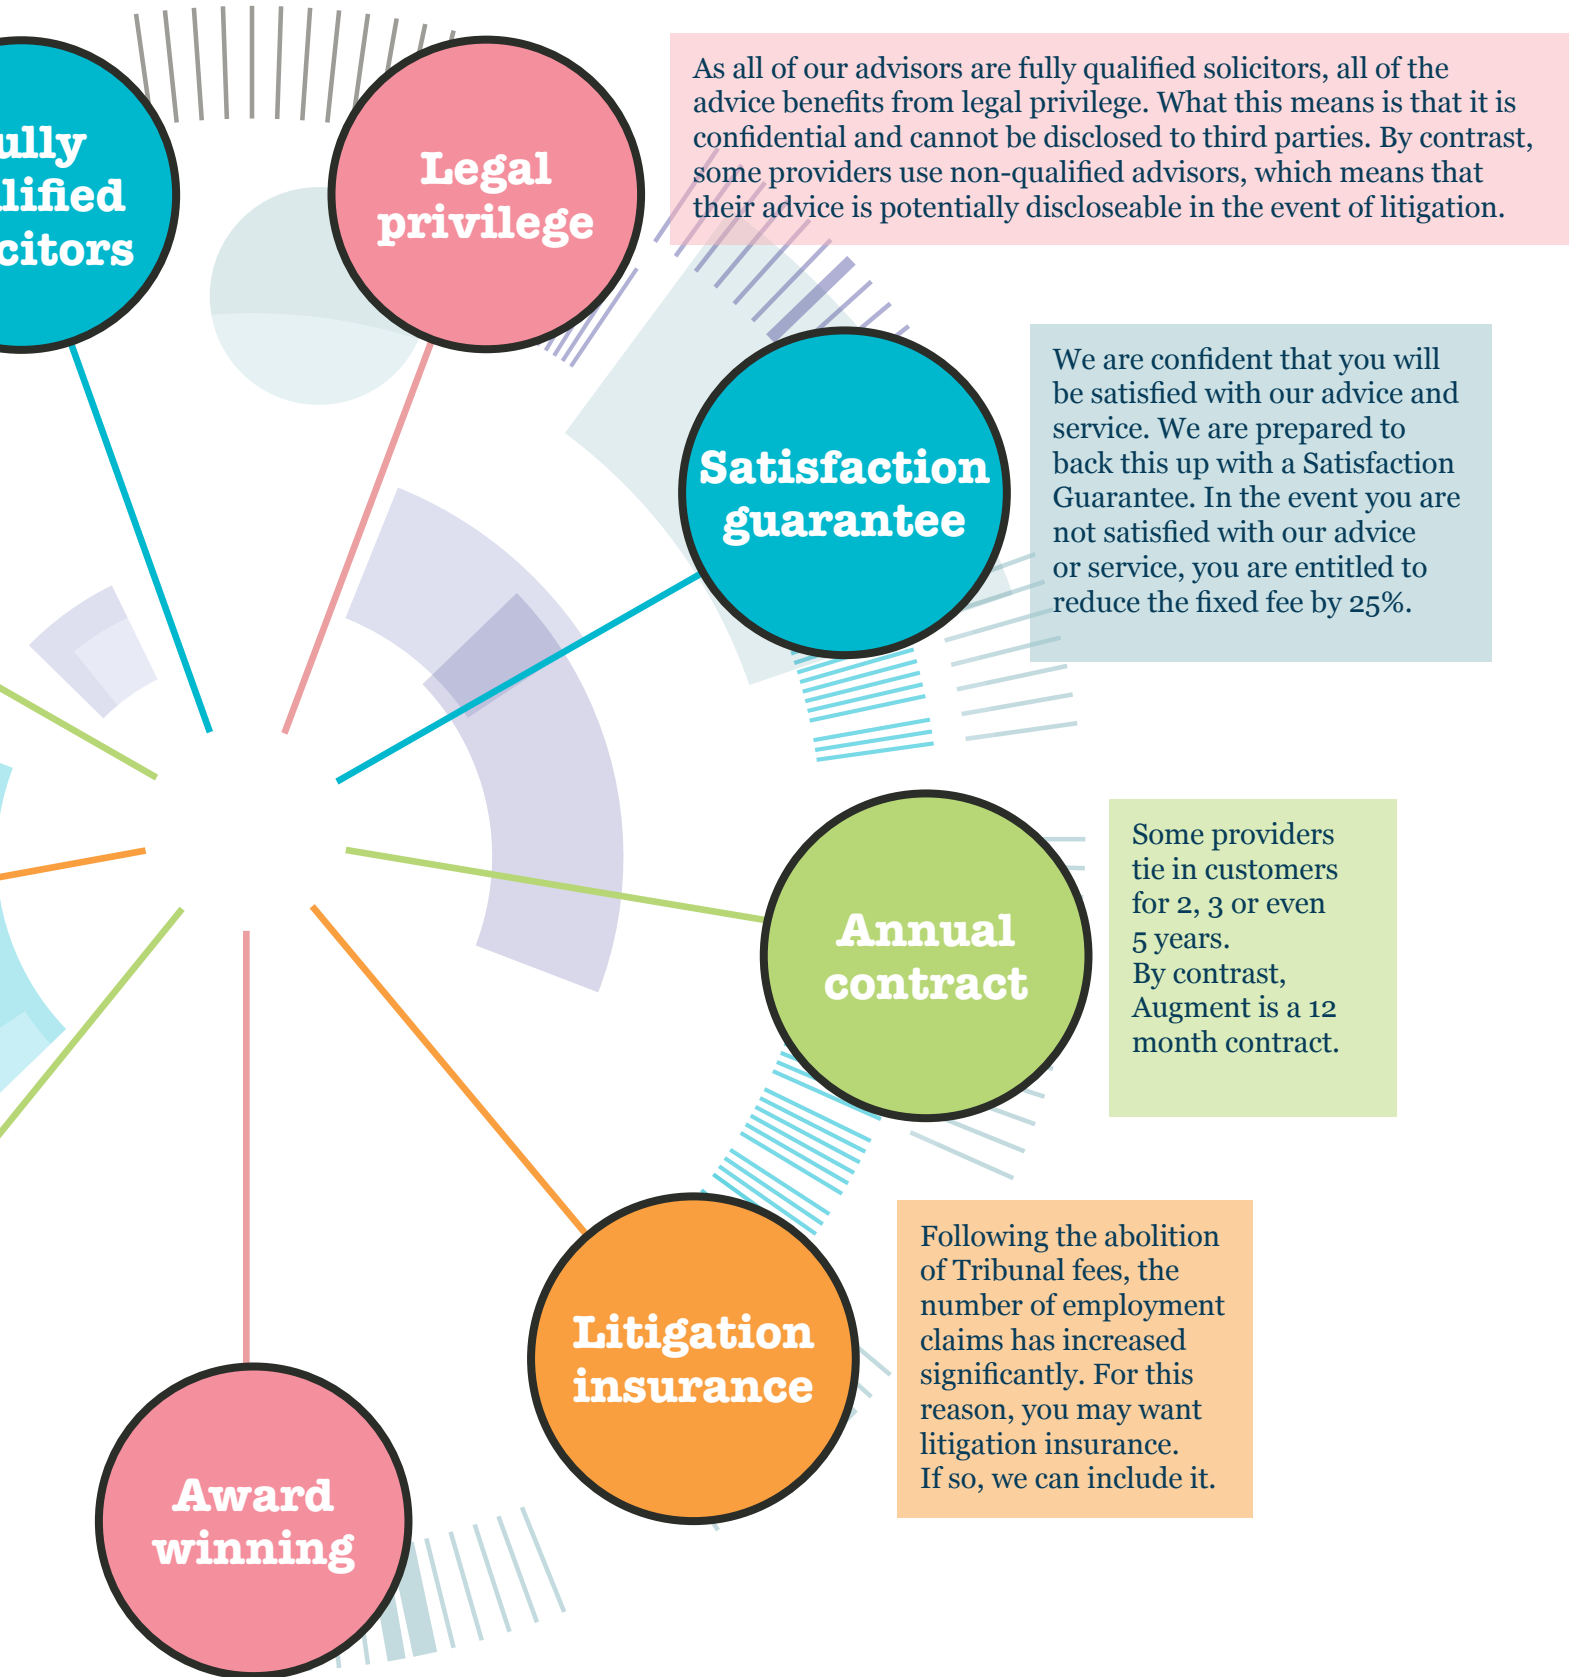

Unlike some providers, all our advice is commercial and designed to help you achieve a quick and cost effective outcome.

**Commercial advice**

Unlike some providers who use call centres, the relationship is very important to us. For this reason you will on almost all occasions be dealing with the same person each time.
